Pacific Northwest Soccer Club and U.S. Bank Announce Multi-Year Partnership

November 18, 2019 - Pacific Northwest (“PacNW”) Soccer Club today announced an exciting move for its players: a new jersey sponsorship deal and wide-ranging partnership with U.S. Bank. As the fifth-largest commercial bank in the nation, U.S. Bank’s support of PacNW Soccer Club will have a positive impact for years to come.

Under terms of the multi-year deal, all PacNW players will proudly display the iconic U.S. Bank logo on the front of their Nike jerseys, and U.S. Bank will be recognized as the “Official Banking Partner” of the club. Beyond the jersey logo sponsorship, U.S. Bank will host financial literacy seminars for PacNW players and their families, focusing on topics such as planning and saving for college, responsible debt management, and personal finance 101.

"When searching for our next jersey sponsor, we approached the process thoughtfully and with considerations beyond merely putting a logo on the front of our jersey," said PacNW President John Wilson. "In U.S. Bank, we have found a first-class, well-respected organization that is not only invested in our community, but has made meaningful commitments to the growth of our sport throughout the region. On behalf of every member of PacNW Soccer Club, we could not be more thrilled to partner with U.S. Bank.”
Headquartered in Minneapolis, U.S. Bank serves retail, business, wealth management, payment, commercial and corporate, and investment services customers across the country. With more than 74,000 employees nationwide and 3,000 branches, U.S. Bank is among the largest financial institutions in the country.

“At U.S. Bank we are committed to giving back to our communities in a variety of ways. We are excited for our partnership with PacNW Soccer Club to help positively impact the lives of more youth soccer players, “said U.S. Bank Seattle Market Leader Kristy Dickson. “At U.S. Bank, we believe in the power of play. It is part of our Community Possible giving and engagement program focused on the areas of work, home and play. Play brings joy, helps develop problem-solving skills, creativity and relationships and build social and emotional learning.”

The U.S. Bank logo will first appear on club jerseys beginning with the 2020-21 season, and will join secondary kit sponsor SOCCER.COM.
