September 11, 2019
6:00 pm

1. President's Welcome and Introduction – John Wilson
 - a. Uniforms Update – Spring 2020 will be the start of a new uniform cycle. Options are going to be simpler because Nike and Addidas are offering fewer options. As a club we will be moving back to the original uniform colors of maroon, blue, and white – there will be no black jersey.
2. Technical Directors Update – Leighton O'Brien
 - a. No report this month.
3. Director of Operations Update – Kaelen Aramaki
 - a. Team Fees – DO NOT USE VENMO or PAYPAL! We are looking at a program through US Bank that accepts credit cards, but we are not there yet.
 - b. Volunteer Opportunities – More volunteer opportunities will be going up tonight so check the website.
4. Treasurer's Report – Michelle Patton
 - a. Red List – The red list will be going in to affect the week. If you have players on the red list, they need to talk to Michelle to make payment arrangements (treasurer@pacnwsc.org). It is the coach's job to communicated with the players and parents when they cannot play.
 - b. There are work study checks in the managers' folders for the managers to distribute. If someone is waiting on a check, let Michelle know.
