

Pacific Northwest Soccer Club Travel Policy 2021/22

Overnight travel to soccer tournaments or regular season games is an exciting, challenging and broadening experience for players, coaches and parents. There are two types of travel utilized at PacNW, family travel and team travel. **For the 2021-22 Soccer Season, all travel will be Family Travel until further notice.**

Family Travel: The players are required to be at a field at a specified time and the family makes all necessary arrangements for the player to be there.

The following travel policy and guidelines provide a foundation for planning and organizing safe and successful travel.

Tournament selection:

Teams should aim to travel to competitions where the best state, regional or national teams are participating. Older teams are encouraged to participate in college showcase events to increase exposure to college coaches.

The Technical Director and Directors of Coaching, with input from the coach, are responsible for selecting the tournaments a team will attend each year (pending acceptance). An estimated travel budget for team expenses for each tournament will be available for inclusion with the pre-season team budget.

Goals and Objectives:

Coaches and parents must both recognize and agree with the goals and objectives of choosing to travel to a tournament. Mutual understanding of these goals and objectives and their communication to the players is critical for successful travel. These goals include:

- Experiencing a higher level of competition and/or different style of play.
- Building team chemistry and morale.
- Preparing for State Cup, Regional or National competition.
- Exposure to college coaches.
- Learning responsibility while away from home and family.

Additional goals as determined by the coach may be identified for specific trips, such as an educational or cultural experience combined with soccer.

Out of town travel:

- An itinerary will be submitted to team parents at least 5 days prior to departure for teams traveling out of state.

Budget:

PacNW will prepare a club budget part of which will help defray the cost of specific team expenses. The club budget will not include estimated fees for additional tournaments or travel costs for players and parents. A separate estimated travel budget will be prepared by the team manager and team treasurer for each tournament. All costs related to travel will be the responsibility of each team.

Club Paid Expenses:

The following expenses will be paid for by the Club:

- **ECNL Teams:**
 - a. ECNL League Fee
 - b. Coach TSA precheck

- **RCL Team:**
 - a. RCL League Fee
 - b. State Cup Entry Fee
 - c. Coach Travel Costs
 - i. The club will cover the cost of reimbursing coaches for travel expenses for RCL league games and state cup travel. The club will cover up to \$300 maximum coach airfare for RCL and state cup travel to Spokane. Any lodging other than a hotel room requires board approval.
 - ii. The club will pay for Coach's hotel room when required for overnight travel to RCL or State Cup games.

Coach must complete reimbursement form, attach receipts, and submit to Club Treasurer for reimbursement.

Team Paid Expenses:

All tournament costs (tournament fee, coach expenses - hotel, food, and transportation costs) will be the responsibility of the team and divided equally among all players on the team. A player may opt out of a tournament by giving notice to the coach and manager at least 4 weeks prior to the first day of the tournament.

Players not attending tournaments/events will still be responsible for paying the team paid expenses.

All money should be collected and in the player's team account **prior** to travel. Coach's expenses will only be covered by the team for actual tournament or required team travel days. Any deviations will require board approval.

The following expenses will be paid for by the team.

- **Tournament Entry Fees**

- **Coach Hotel Room** – One room for coach.

The manager and/or treasurer will do a cost estimate for all additional team costs and prepare a summary of expected expenses (per player) that will be distributed to parents. Factors to consider are:

- Travel distance and options for coach- Cost of driving vs. flying. Do you need to add extra days on each end of the tournament to get the best rates?
- Hotel selection – Consider distance to playing fields and restaurants as well as any fees for parking and other amenities (refrigerators, pool, continental breakfast, etc.).
- Transportation – Rental expenses should include estimate for gas.
- Food costs – Estimate \$/day for coach.

Hotel Arrangements:

Hotels must be booked following all tournament stay and play requirements. If the tournament does not have a stay and play policy, hotel arrangements will be made by each individual family.

For all stay and play tournaments, the travel coordinator should reserve the number of rooms needed per family per team and reserve all rooms based on their stay and play policy. All families traveling with a team must stay at the assigned hotel.

For ECNL and Surf Cup, the ECNL coordinator is required to request the number of rooms needed per family per team and reserve all rooms based on their stay and play policy. All families traveling with a team must stay at the ECNL/Surf Cup assigned hotel.

Hotel costs are for family travel and are the responsibility of each individual family.

*Players whose families will not be attending may make arrangements to stay with a teammate's family.

**Teams must request director approval for deviations from policy.

Team Meeting:

A team meeting should be held to disseminate information to the team parents and players about travel plans.
