- The Club rented out a ballroom near Starfire in December to host a coaches social after their in-service day. Hosted by the Directors. Education, fun, team building. To increase cohesiveness.
- 2 players committed to University of Washington (Pac 12 Division 1)
  - Samiah Shell – U17 ECNL
  - Chad Sovde – U19 ECNL

**3. Winter Classic Update - Todd Johnson**

- Interesting couple weeks with the weather going on. Excited to see 500 teams coming in to play the next 2 weekends:
  - 1<sup>st</sup> weekend – youngers
  - 2<sup>nd</sup> weekends – olders and U11
- Added North SeaTac this year.
- Littles at Valley Ridge
- Volunteers – we need help. Work study also in effective
- Kyle Janders is helping with coordinating this weekend.
- Tents need to be returned to the clubhouse. Trying to gather tents for this weekend. Appreciate you getting these back to us.
- Social distancing in effect for this weekend. Not a lot of hanging out this weekend. If you aren't feeling well, stay home. Can address through player passing.

- Pac teams do not need to do anything. Team managers need to swing by Starfire Clubhouse to pick up pins. Last 25 teams need to be rostered. Nothing for team managers to do except to bring player cards and medical releases.
- The Club will only provide tents at Starfire and Valley Ridge. We can't have them out in the wind. Tents to be returned next week. Just leave under the clubhouse.
- Volunteer opportunities available.

**4. COVID-19 Reminder – Jeff Hemmen**

Club is seeing effects of spike in Covid cases. Following New CDC guidelines. It may take the Club up to 24 hours to respond to covid inquiries sent to concerns@pacnwsc.org. We encourage everyone to err on side of caution for participation. Hopefully, we will get through this before too long.

**5. Upcoming Dates:**

- Winter Classic Tournament
- Raffle ticket sales are ongoing  
When and where should tickets be turned in? Laurel Munguai is handling. More information to come

**6. Questions:**
