7. Q&A

Questions not addressed on zoom will be published and distributed – written response.

- How long has the Club know about the sanctions? Finalized last couple of days.
- Why has PacNW not disclosed prior to meeting? Needed to understand finalized last few days.
- What if we have only 10 or 11 players for game this weekend? May request in an emergency. To 13 players.
- Out of state tournaments if players can't go due to covid or finances, can use guest players.
- Opportunities training with teams scrimmages- coach rotation
- There may be roster changes
- Player pass taken away. Can permanently move players to higher team.
- How will club be impacted with Leighton's suspension? Remaining directors will pick up the slack.
- Tournament travel out of state will it impact league play? Still being sorted out. Still working with WYS. Surf cup seems fine with WYS.
- We follow the governor's guidelines, but counties can restrict.
- When will roster sizes be finalized? Before the first game. Can move players later but a one off.
- TeamSnap will be used for attendance, not health check
- How is the club comfortable sending players to out of state games? Changed way we travel – not team travel – family travel this year. Players/parents can decide to travel.
 Family style travel.
- If state allows travel and play and our state allows it, then feeling okay about it.
