Club Monthly Meeting Minutes  
November 8, 2017  
6:00 PM – Starfire Upstairs Meeting Room**

1. Club Updates: John Wilson, President
  - a) USSDA West Region Showcase – Recap letter from Leighton:

This last weekend I went with the 2004-2005 DA to the Western Regional Showcase. It was a great experience for our players, coaches, and myself as the director. Our style of play was very evident. The National team scouts and US Soccer Federation scouts and Seattle Sounders DA coaches gave great feedback and were impressed. I wouldn't be surprised if some of our boys get national team camp callups. There is definite room for improvement. I came away with a renewed focus on problem solving exercises for training and pregame warm-up.

Both set of teams had long delay in flights due to the weather and showed maturity as a team to overcome that. Some highlights were the 2005 boys beating the LA Galaxy academy 3-0 and the 2004 DA beating the San Jose Earthquakes 2-1 and winning all 3 matches with great PacNW Style of play.
